

REMARKS

The indication that claims 5-11 are allowable and claims 12-20 are allowed has been noted with appreciation. By the foregoing amendments, the designation of the molybdenum compound in claim 17 has been inserted into claim 1. As a result, it is respectfully submitted that all claims in this case are presently allowable.

The Examiner's attention is respectfully invited to the IDS which is being submitted in a separate paper.

In light of all of the foregoing considerations, it is respectfully submitted that this application is now in condition to be allowed and the early issuance of a Notice of Allowance is respectfully solicited.
